

WHAT TO KNOW ABOUT SNOW / CONNERY, GOLDSWORTH & HAMPSHIRE / Townhome Section

12”- 24” SNOW STORM / CONNERY, GOLDSWORTH, HAMPSHIRE AND POOL PARKING LOT

1. 1st Plowing:
 - a. STREETS/PARKING LOT: Plows will make one (1) pass and clear the street so vehicles can enter and exit.
2. 2nd Plowing:
 - a. Plows or heavy equipment (if needed) and shovels/snow blowers will return 12-24 hours after the 1st plowing round.
 - b. Sidewalk: Owner should remove snow from the sidewalk.

25” plus SNOW STORM

1. 1st Plowing:
 - a. Same as above with the exception that plows could take additional time to arrive due to the condition of the main and secondary streets.
2. 2nd Plowing:
 - a. Same as above with the exception it could take up to 48 hours to return.

VEHICLES / PARKING SPACES / SIDEWALKS - Any amount of snow

1. Please do not shovel snow back into the street. This will block the plowed pass and prevent vehicles from moving about. *Remember, the plow may not be back for many hours to plow a second time (if needed).*
2. Do not park in a space that you did not clear! Be kind to your neighbors during snow storms.
3. Look at the vehicle exhaust pipe. Be sure to remove any snow from the exhaust pipe before you start the engine.
4. Pay attention to Loudoun County road conditions. Stay off the roads except for emergencies.
5. Make snow angels and enjoy the snowflakes. 😊

**for your patience during snow season! These are estimates only and
may change based on current weather conditions.**
